Acts 15:28

### Start Talking:

- Do you like to make split second decision or do you think before you leap?
- Are there any simple decisions you have trouble making, like where to eat? Why do you think simple decision sometimes seem so difficult?

### Start Sharing

- Decision-making can seem complicated for a few reasons: too many choices, the desire to maintain the illusion of perfection, and fear of making costly mistakes. Which of those reasons do you resonate with? How does it affect you?
- On Sunday we heard “*there is a path before each person that seems right, but it ends in death.*” (Proverbs 16:25). Has there ever been a time you thought you made the right choice, only to later discover you were wrong? Why did you think you were right? What did you learn from that experience?

### Read – Proverbs 11:14

- Who are the people in your life that influence your decision-making?
- On Sunday we heard that before we make a big decision we ought to “Search God’s word, surround ourselves with God’s people, and seek God’s heart.” Which of those is the most important for you to focus on during this season of life?
- What encouragement can you take from the statement, “the world has yet to see a mistake so great that Jesus had to go back into the grave?”

### Start Doing:

- Are you facing a hard decision right now? If so, how can you use God’s word, God’s people, and God’s heart to prepare you for making a right choice?
- Consider the anxieties you’re struggling with in life. Take time as a group to pray for each other and submit situations to God.

Don't let the conversation stop. Keep talking it over with others in a GROUP.
